# Test Results

| Project Name | BauX |
|---|---|
| Project Leader | Armin Hamzic |
| Project Members | Pero Djukic<br>Amin Taha |
| Version | 2.0 |
| Document state | In process |

| Test | Status | Description |
|------|--------|-------------|
| *LAA_01* | passed | If the password and username match, you will be taken to the Enter Hours Area. |
| *LAA_02* | partly passed | You don't get to the next area, but you don't get an error message(password wrong), so this test case only partly feels its function. |
| *LAA_03* | Partly passed | You don't get to the next area, but you don't get an error message(username wrong), so this test case only partly feels its function |
| *LAWS_01* | Passed | If the password and username match, you will be taken to the Enter Hours Area |
| *LAWS_02* | Passed | Username is correct, but the password is not. An ERROR message is output. |
| *LAWS_03* | Passed | Passwort is correct, but the username is not. An ERROR message is output. |
| *LOWS_01* | Passed | If you press the button you will be logged out and return to the login area. |
| *EHA_01* | Passed | You can enter the name of each worker from the respective group. |
| *EHA_02* | Passed | The number of hours worked can be assigned to each worker. |
| *ERA_01* | Passed | You can enter a text and see what is written during it. |
| *ERA_02* | Passed | You can scroll around in the text input field |

| | | |
|---|---|---|
| **ERA_03** | Failed | We didn't collapse to send a json packet to the database. |
| **WSA_01** | Failed | A download button is available in the design but no functionality has been assigned to it. |
| **WSA_02** | Passed | You can enter the time period and a table will be given to you. |
| **WSA_03** | Passed | A table with a search function is available, where you can search for certain things of workers. |
| **WSA_04** | Passed | A table with a search function is available, where you can search for certain things of groups. |
| **WSA_05** | Passed | You can enter the number of entries and they will be output without problems. |
| **WSA_06** | Passed | You can enter the number of entries and they will be output without problems. |
